401. SHRI SHANTARAM LAXMAN NAIK: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Oil and Natural Gas Corporation has any plan to re-develop its prime Mumbai High Oil fields to arrest production decline from the ageing fields;

(b) if so, the quantum of investment proposed to be made for the purpose; and

(c) the quantum of additional oil expected on account of the investment?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI DINSHA J PATEL): (a) To arrest the oil production decline in Mumbai High field, major initiatives in the form of redevelopment programme were being launched by Oil & Natural Gas Corporation Ltd. (ONGC) in 2000-01. These projects are redevelopment projects of Mumbai High North (MHN) and Mumbai High South (MHS). The inputs envisaged under these projects have been completed by April 2007. The implementation of these projects has successfully arrested the production decline from Mumbai High field.

A project for Addittional development of Al Layer of L-III reservoir of Mumbai High North is currently under implementation and will be completed during 2007-08.

In order to maintain the high level of production and further improve the oil recovery from Mumbai High field, the feasibility study for next phase of re-development program is being carried out by ONGC.

(b) and (c) The quantum of investment proposed to be made for next phase of redevelopment programme and the quantum of additional oil expected would depend on feasibility study.
